PREDUZEĆE FIMAS

FIMAS COMPANY

Preduzeće FIMAS d.o.o. osnovano je januara 1994. godine. Počeli smo kao mala porodična firma sa troje zaposlenih. Već 30 godina rastemo i razvijamo poslovanje, učimo i primenjujemo stečena znanja, godinama osluškujemo potrebe tržišta i unosimo inovacije. Kao rezultat svega toga izrasli smo u apsolutnog lidera na tržištu ugostiteljske opreme. Danas smo proizvodno-prodajna firma koja broji 60 zaposlenih. Svoje poslovanje smo proširili i van granica Srbije izvozeći proizvode na područje EU, Hrvatske, Bosne i Hercegovine, Crne Gore i Makedonije. 2005. godine smo pokrenuli proizvodnju neutralne kuhinjske opreme i od samog starta se opredelili da klijentima ponudimo kvalitetne proizvode po pristupačnim cenama. Koristeći najkvalitetnije sirovine, a radeći po italijanskoj tehnologiji, svojim klijentima nudimo opremanje svih vrsta ugostiteljskih objekata u skladu sa HACCP sistemom. Komparativnu prednost i liderskу poziciju smo ostvarili veoma širokim asortimanom od preko 8000 proizvoda, prodajom robe sa lagera i najkraćim rokovima isporuke, kao i razvijenom servisnom službom i postprodajnom brigom o svojim klijentima... Pokretanjem proizvodnje metalnog kuhinjskog posuđa i tekstila zaokružili smo svoju ponudu na sve ono što je potrebno jednom hotelu, restoranu, pekari, mesari, kafe baru.

Villeroy & Boch

1748

Od svog osnivanja 1748. godine, proizvođač keramike se razvio u brend međunarodnog načina života. Kao vrlo malo drugih vrhunskih brendova Villeroy&Boch je duboko ukorenjen u evropskoj kulturi. I na način na koji to može samo veliki brend, shvatio je kako da sačuva svoj identitet i da ide u korak sa vremenom.

Villeroy&Boch-Since its foundation in 1748, the ceramic producer has developed into an international lifestyle brand. Like very few other premium brands, Villeroy& Boch is deeply rooted in European culture. And, in the way that only agreat brand can do, it has understood how to preserve its identity while still moving with the times.
